EXPERTISE

Field

Manufacturing Engineering

Expertise

Manufacturing Engineering &
Technology

Specialization

Manufacturing Technology
Engineering Materials
Engineering Management

RESEARCH CONTRIBUTION & ACHIEVEMENT

My research interest is focused on the areas of manufacturing technology, engineering materials and management. My recent research work focuses on the manufacturing system particularly in flexible manufacturing system (FMS) and inventory management. This includes research interests in the design, development and techno-economics studies of automated material handling and storage system application especially for SMEs industry. This research has been awarded gold medal in MPI 2018.

PROFESSIONAL MEMBERSHIP

- Malaysia Board of Technologists (MBOT)
- Board of Engineers Malaysia (BEM)
- Malaysian Society of Engineering Technology (MySET)
- International Association of Engineers (IAENG)

NETWORKING & RESEARCH COLLABORATION

- ApiTech Sdn Bhd, Terengganu

PUBLICATION

- Google Scholars : Raja Manisa binti Raja Mamat
- MyGrants ID: 36719
